Thank you to Rachelle Gordon for setting up BooHoo Yahoo breakfast

First Vice President- Head Room Parent were assigned at Meet The Teacher.

Head Room Parent will be in charge of organizing snack day.

Second Vice President- Our membership for 2018-19 was Family 61 and Single 58 members (21 of these were Mason Teachers and staff.) This year we are at Single Membership is 44 (only 1 teacher has signed up) and Family Membership is 61. So we should finish with more members this year once the teachers and staff sign up.

How can we add an incentive to sign up.

Maybe an extra recess for the class with the most members. Instead of Family Membership or Single Membership, call it Gold Membership or Bronze Membership.

Family Memberships get two votes, Single Memberships get one vote

Teacher Representative - Thank you for the donation to our classrooms

Principal Report - Bond will go to vote in April, PTA will need to help promote it. Each teacher got a new stand up desk and stool with the money donated from the PTA.

Treasurer- Share review results, Budget discussion and approval, check request forms - need to decide who can approve.

We have 16k in our account right now, we have to reserve 4k due to bank regulations and PTA bylaws.

Once the budget is approved, teachers will receive \$10 per student.
