

SPREAD LOVE

Caring for our school, one student at a time.

Mason Elementary's PTA provides programming and resources to connect students, families and educators. Throughout the year, Mason families are invited to come together for fun events to build community and connectivity.

Additionally, Mason's PTA provides resources to the school that traditional budgets aren't able to cover. Last year this included new reading and math programs, Smart Boards for two classrooms, and more! These resources allow each of our 400+ students to have equitable access to technology and learning opportunities.

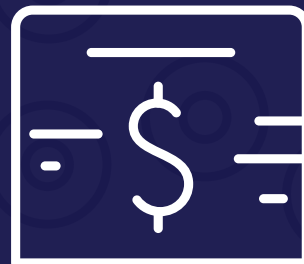

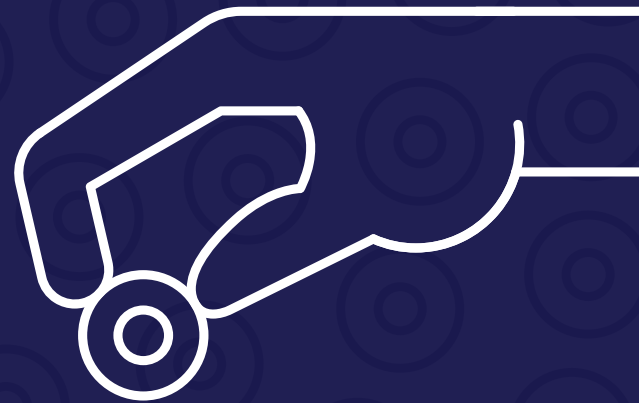

MAKE A DONATION

Support our present, invest in our future.

The short-term benefit of your investment in Mason is the opportunity to build your business among a community of families with financial resources, but often little time to research buying opportunities. We will continually put your name in front of 400+ area families throughout the year.

Long-term, your investment will create strong communities with children who are educated and technology trained. These students are our future workers, consumers and leaders. Let's work together to give them the best educational opportunities possible.

Take a look at our sponsorship opportunities on the following page.

We are excited to present the following sponsor benefits for the 2019-2020 school year! All of our sponsors will be recognized in our principal's e-newsletter and in the Lotawana News newspaper.

The **Monster Dash** consists of a costumed fun run with a trunk-or-treat held at Stonehaus Farms Winery. **Candy Cane Lane** gives students the opportunity to purchase affordable holiday gifts for friends and family. **Bingo Night** is new this year! We're getting families together up at school to play Bingo, snack and mingle. Our **Ice Cream Social** is a celebration of our students and their successes as the school year draws to a close.
