

# MASON ECOLOGY CLUB

For students in fourth, fifth and sixth grade, Mason's Ecology Club focuses on environmental responsibility and appreciation of our natural surroundings. The club meets 7-8 times per year, including a spring field trip. Students earn points for attending meetings and must have a set amount of points to attend the field trip.

The first meeting will be **Wednesday, September 11 at 9:00am**. Subsequent meetings will take place the first Wednesday of every month at 9:00. Meetings are free, thanks to our PTA!

Parent/guardian permission is required to attend and parent volunteers are needed!. Use the form below or go online to register.

\_\_\_\_\_

BY SIGNING, I ALLOW MY CHILD/CHILDREN TO PARTICIPATE IN ECOLOGY CLUB. I understand that if behavior becomes an issue at any point, I will be contacted and student(s) may be removed from the program. I understand all communication about Ecology Club will be sent via the Remind Text/Email system or on the Mason PTA Facebook page.
