### **President-**

Thank you to Megan Spencer for a very successful Skate Night. We had 165 skaters! And we made \$482

We had a successful first Ecology Club meeting on September 11, with about 65 kids signed up and almost all attending.

We are booked for a fundraising event on November 5 12-4 at Arcade Alley. We get half (\$5) of every bracelet sold from 12-4. Kids can still play until 7:00 PM and adults can play until 1:00 AM.

We are providing teachers dinner during conferences? Did we budget? Yes, PTA will provide lunch to teachers during conferences. The budget allows for \$500.

**First Vice President-** Head Room Parent were assigned at Meet The Teacher. Head Room Parent will be in charge of organizing snack day.

**Second Vice President-** Our membership for 2018-19 was Family 61 and Single 58 members (21 of these were Mason Teachers and staff.) This year we are at Single Membership is 44 (only 1 teacher has signed up) and Family Membership is 61. So we should finish with more members this year once the teachers and staff sign up.

How can we add an incentive to sign up.

Maybe an extra recess for the class with the most members. Instead of Family Membership or Single Membership, call it Gold Membership or Bronze Membership.

Family Memberships get two votes, Single Memberships get one vote  
Discuss how to get more members signed up- Post on Facebook, Post video from Missouri PTA about why to join, send home membership forms in backpacks, add a link to join online,

Will post on facebook to let classes know if they are close to 90%.
